Re: Notice of Planned Decisional Classification for “Short-Long start Unit Definitions Update”

Any objection by the Chairs to this decisional classification is due by March 8, 2022.

This is formal notice of ISO Management’s decisional classification for the “Short-Long Start Unit Definitions Update” initiative. Any objection by the Chairs to the decisional classification is due by March 8, 2022. Otherwise, this initiative will be presented for decision consistent with the classification described below.¹

This initiative falls within the joint authority of the Board of Governors and the WEIM Governing Body, because the tariff changes to implement this initiative would be “applicable to EIM Entity balancing authority areas, EIM Entities, or other market participants within EIM Entity balancing authority areas, in their capacity as participants in EIM.”

Stakeholder comments on the draft final proposal were due on March 3, 2022. There were no objections to the decisional classification in the draft final proposal.

The draft final proposal for this initiative is located [here](#). Additional material for this initiative can be located [here](#).

¹ The process is described in the [Guidance for Handling Initiatives that may Come Before the EIM Governing Body](#).
