# Save the Date - Resource Interconnection Standards Fair on 9/17/24

The objective of this educational forum is to provide stakeholders with an opportunity to learn more about the ISO's [interconnection process](#) and recent changes affecting Cluster 15. If you plan to attend the meeting in person, please [register](#) by end of day **Sept. 13, 2024**.

The forum will include a series of presentations and discussions that outline the interconnection requirements for a new resource to connect to the ISO grid. Presentations will cover topics such as submitting an interconnection request application and declaration of commercial operation.

***The following stakeholders are encouraged to participate:***

- Submitted an interconnection request application for Cluster 15
- New and existing interconnection customers
- Regulatory agencies
- Consultants
- Trade associations
- Participating Transmission Owners

Stakeholders are invited to submit questions in advance to be addressed during the meeting. Please send questions to [isostakeholderaffairs@caiso.com](mailto:isostakeholderaffairs@caiso.com).

The final agenda and presentations will be posted prior on the [meetings webpage](#).

# AIM Certificate Process Replacing Verizon Client User Certs to Entrust Certs

## UAAs Action Required

The ISO would like all UAAs to actively begin replacing your users and business certificates that are still Verizon certificates to Entrust Certificates. Emails to UAAs began in March for this effort.

### Due Date

Completed before the end of October, 2024.

### Instructions

Please see the "Replacing a Verizon Certificate with an Entrust Certificate" section of the [AIM Certificate Process Job Aid](#) section for step-by-step instructions.

### Questions

Email [uaarequests@caiso.com](mailto:uaarequests@caiso.com) or create a CIDI ticket with the subject line "Verizon to Entrust Cutover."
