

Resource Adequacy Modeling & Program Design

Office Hours:

CAISO RA Processes and CPUC's Slice of Day

Special Web Meeting

January 11, 2024

# Housekeeping Reminders

- This call is being recorded for informational and convenience purposes only. Any related transcriptions should not be reprinted without ISO's permission.
- These collaborative office hours are intended to stimulate open dialogue and engage different perspectives.
- Please keep comments professional and respectful.
- Upcoming **VIRTUAL** Resource Adequacy Modeling and Program Design Working Group call scheduled on Tuesday, January 16 at 9:00 to 4:00 PM.

## Recent changes to the Intellor platform, specifically around audio while joining meetings

- The “call me” feature is no longer being offered when joining Operator assisted meetings.
  - You must chose between Computer Audio option and a Dial-In audio options.
  - Dial In options (including your Attendee ID#) will be provided in the meeting details upon registration
    - This attendee ID is unique to your registration
- We are actively working with Intellor on alternatives options and appreciate your patience. I will provide and update at the beginning of the year.

## Instructions for raising your hand to ask a question

- If you are connected to audio through your computer or used the “call me” option, select the raise hand icon  located on the bottom of your screen.

**Note:** #2 only works if you dialed into the meeting.

- Please remember to state your name and affiliation before making your comment.
- You may also send your question via chat to either Brenda Corona or to all panelists.

# Notice to Participants

- ***Please be reminded, Commissioners and advisors from state public utility commissions may be in attendance.***

## Today's Office Hours: Objectives

- Review CAISO Slice of Day document
- Provide access to CAISO staff and CPUC Energy Division staff
- Answer stakeholder questions related to CAISO RA process and CPUC's Slice of Day

# Open Discussion and Comments

*Please use the raise hand icon on WebEx*

# NEWS RELEASE: FERC accepts ISO tariff changes for a Western day-ahead electricity market

- New rules adopted for the Day-Ahead Market Enhancements (DAME) and the Extended Day-Ahead Market (EDAM).
- Stakeholders were deeply engaged in designing the market rules through a collaborative working group process, which included regional utilities, independent energy providers, state regulators, public interest organizations, and a variety of entities representing various interests and points of view throughout the Western Interconnection.
- Learn more about EDAM through this [link](#).

## WEIM Governing Body has two positions to fill in 2024

By Nicole Hughes

In 2024, the Western Energy Imbalance Market (WEIM) Nominating Committee will reconvene and lead the stakeholder effort to recommend candidates to fill two positions on the WEIM Governing Body that are set to expire at the end of June. This time around, there is the added consideration of candidates' qualifications to meet the additional ...
